

Eversley Choir

Summer Update 2023

Memories of Capernwray 2023

Music for 2023/2024

We look forward to welcoming you back to rehearsals on **Monday 4th September**. The rehearsals will take place at Borwick and Priest Hutton Memorial Hall from 7 – 9.20pm with a refreshment break. The AGM will be held at the start of the rehearsal on **25th September**. The choir has an exciting programme this year.

The Creation by Joseph Haydn will be performed in the wonderful setting of Capernwray Hall on **Saturday 2nd March**. We will be rehearsing The Creation during September and October with an extra rehearsal on **Saturday 14th October, 10am – 1pm**. After a break to rehearse for the Christmas concert, rehearsals for The Creation will resume on **8th January** with extra rehearsals on **Thursday 29th February** and the morning of **2nd March**. We need your help to recruit associate singers to help the choir perform this major work. A flyer to pass on to singers you know will be sent by separate email.

Ave Maris Stella is the working title for our Christmas concert to be held on **Monday 18th December** at St Thomas Church in Milnthorpe. The major work in the programme will be Cecilia McDowell's *Christus Natus Est* with other shorter works by Grieg, Elgar, MacMillan and more

The Faure Requiem will be the major work in our Spring/Summer concert on **Sunday afternoon 19th May** and will be held in a church setting locally.
