

Eversley

Sing with an orchestra?

With professional soloists?

Singing lessons?

Choral scholarship scheme will open the door to all three.

Here is an opportunity to gain experience and develop your skills in choral singing.

Join our scholarship scheme and perform with our 70 member strong group of enthusiastic and friendly singers.

Led by Ian Jones, we tackle a broad range of choral music, secular and religious, from early to modern. Recent performances have included the Verdi Requiem, pieces by Bach, Britten, Finzi, Brahms and Puccini. Our next major concert in May 2019 will be Dvorak Stabat Mater.

We are keen to encourage and help young singers which is why we have established this scholarship scheme. What we are offering:-

- **Free annual membership of Eversley Choir**
- **Free hire of concert music**
- **A bursary for singing lessons, or equivalent**
- **Participation in our 3 annual concerts (and of course all rehearsals and other events!)**
